

**PLYMOUTH MARINE COMMERCIAL RIB CHARTER
BAREBOAT AND SKIPPED**

At Plymouth Marine we offer both Skipped and Bareboat Commercial Rib Charter. We have a small fleet of boats which are used for Commercial rib charter ranging from single engine 6.0M boats to a 7.6M twin engine with T-top. All boats are coded to MCA Cat 3 with restrictions – see below area categories for each vessel. Our skippers are commercially endorsed.

| BOAT NAME | TYPE OF VESSEL | AREA CATEGORY |
|------------------|--|--|
| NEPTUNE | 7.6M Highfield Patrol twin engine Rib with T-Top Coded for 10 POB including skipper | Cat 3R (up to 20 miles from safe haven in daylight hours and favourable weather with night time restriction to 10 miles) |
| PROTEUS | 6.6M Highfield Patrol single engine Rib Coded for 6 POB including skipper | Cat 3R (up to 20 miles from safe haven in daylight hours and favourable weather with night time restriction to 3 miles) |
| DORIS | 6.0M Highfield Patrol single engine Rib Coded for 6 POB including skipper | Cat 3R (up to 20 miles from safe haven in daylight hours and favourable weather with night time restriction to 3 miles) |
| NEREUS | 6.0M Highfield Patrol single engine Rib Coded for 6 POB including skipper | Cat 3R (up to 20 miles from safe haven in daylight hours and favourable weather with night time restriction to 3 miles) |

We have provided commercial ribs for various events and clients including:

- Devon and Cornwall Police
- Support boat work for various Autonomous Marine companies
- Support boats and crew boats for such events as The Transat, Fastnet Race and the Great Britain Sail Grand Prix
- TV, Media and news film crews
- Local dive clubs and more
